SUPPLEMENTARY INFORMATION: The Presidential Advisory Council on Combating Antibiotic-Resistant Bacteria (PACCARB), established by Executive Order 13676, is continued by Section 505 of Public Law 116-22, the Pandemic and All-Hazards Preparedness and Advancing Innovation Act of 2019 (PAHPAIA). Activities and duties of the Advisory Council are governed by the provisions of the Federal Advisory Committee Act (FACA), Public Law 92-463, as amended (5 U.S.C. App.), which sets forth standards for the formation and use of federal advisory committees.

The PACCARB shall advise and provide information and recommendations to the Secretary regarding programs and policies intended to reduce or combat antibiotic-resistant bacteria that may present a public health threat and improve capabilities to prevent, diagnose, mitigate, or treat such resistance. The PACCARB shall function solely for advisory purposes.

Such advice, information, and recommendations may be related to improving: The effectiveness of antibiotics; research and advanced research on, and the development of, improved and innovative

methods for combating or reducing antibiotic resistance, including new treatments, rapid point-of-care diagnostics, alternatives to antibiotics, including alternatives to animal antibiotics, and antimicrobial stewardship activities; surveillance of antibiotic-resistant bacterial infections, including publicly available and up-to-date information on resistance to antibiotics; education for health care providers and the public with respect to up-to-date information on antibiotic resistance and ways to reduce or combat such resistance to antibiotics related to humans and animals; methods to prevent or reduce the transmission of antibiotic-resistant bacterial infections; including stewardship programs; and coordination with respect to international efforts in order to inform and advance the United States capabilities to combat antibiotic resistance.

The September 9-10 public meeting will be dedicated to the welcoming of eight new liaison members, and acknowledging the dedication of retiring liaisons. The remainder of the two-day public meeting will include antimicrobial (AMR)-focused panel presentations and council discussions focused on the impact of COVID-19 , with topics ranging from: COVID-19 mortality rate due to secondary acquired infections, antibiotic stewardship practices during a pandemic, disruptions in the agricultural industry due to COVID-19 and the intersection of AMR and emergency preparedness. The meeting agenda will be posted on the PACCARB website at <http://www.hhs.gov/paccarb> when it has been finalized. All agenda items are tentative and subject to change.

Instructions regarding attending this meeting virtually will be posted one week prior to the meeting at: <http://www.hhs.gov/paccarb>.

Members of the public will have the opportunity to provide comments prior to the public meeting by emailing CARB@hhs.gov. Public comments should be sent in by midnight

September 2, 2020 and should be limited to no more than one page, or a two-minute pre-recorded message to be played live during the meeting. All public comments received prior to September 2, 2019, will be provided to Advisory Council members and will be acknowledged during the public teleconference.

Dated: July 27, 2020.

Jomana F. Musmar,

Designated Federal Officer,

Presidential Advisory Council on Combating Antibiotic-Resistant Bacteria,
